

REMARKS

The specification has been amended in accordance with 37 CFR §1.78 to make reference to the International Application from which this application originates and to incorporate by reference the Japanese priority application.

Claims 1-5 are pending in the application as amended under Article 19. A replacement page 15 is attached. Claims 3 and 5 have been further amended herein to remove multiple dependencies. Claims 6 and 7 have been added to restore the subject matter that was removed by the result of this amendment. The amendment is made to reduce filing fees and not for any other reason related to patentability of such claim. No new matter is added by this amendment.

The claim fee was calculated based on the amended claims above. Please examine the application in view of the amendment set forth above.
